

macphail ecological woods forestry project

Nursery Catalogue 2017 Season

The [Macphail Woods Tree and Shrub Nursery](#) is located on the Sir Andrew Macphail Homestead in Orwell. We grow native trees and shrubs for use in our own planting projects and for sale to the public. Native species are usually very reliable, hardy and are well-adapted to our local conditions.

OPEN THURSDAY THROUGH SATURDAY, MAY 4 to JUNE 3, 9am to 5pm

From Thursday, May 4 through Saturday, June 3, we will sell both bare root (as long as the plants haven't leafed out yet) and potted stock but after that all stock will be potted. After June 6, we are open only by appointment, but we try to be flexible.

*** Please note: We are a small nursery and do not ship anywhere ***

Needle-leaved Trees (bare root prices - for potted stock add 50%)
